

# What is the IB Career-Related Programme

The IB Career-Related Programme (IBCP) is designed for students interested in pursuing a career-related education in the final two years of secondary school. It provides students with an excellent foundation to support their further studies, as well as ensure their preparedness for success in the workforce.

## Opportunities Available through IBCP:

- ◇ Industry Certifications
- ◇ College Credit
- ◇ Mentorships
- ◇ Internships

IBCP incorporates the principles of IB with the unique needs and interests of students in career-related learning.

## Career Sequence

### Medical:

Medical Skills and Services

Health Science Anatomy and Physiology \*

Health Science Foundations\*

Electrocardiography Technician\*

### Engineering :

Applied Engineering Technology 1 \*

Applied Engineering Technology 2 \*

Applied Engineering Technology 3 \*

Advanced Technology Applications \*

\*.5 Honors weight

## IB Career-Related Programme Requirements:

- ◆ Completion of the IBCP Core
- ◆ Completion of at least 2 Diploma Programme courses, at least one of which is a 2-year sequence
- ◆ Participation in the career-related course for Engineering or Medical

## The IBCP Core:

The components of the core are at the heart of the Career-related Programme and are designed to enhance students' personal qualities and professional development.

The Career-related Programme core contextualizes the Diploma Programme courses and the career-related study and draws all aspects of the framework together. The core is designed to develop many of the characteristics and attributes described in the IB learner profile.

### Mandatory core components are:

- 1) **Personal and Professional Skills** (2-year course during junior and senior years)
- 2) **Service Learning** (minimum of 50 hours)
- 3) **Language Development** (minimum of 50 hours)
- 4) **Reflective Project** (submitted and assessed during senior year of the program)

## Diploma Courses

IB Diploma Courses are offered in six different groups of content. Career Programme students must take a minimum of two of these courses in **different** content areas and earn level 3 or higher.
